Rome

In this enchanting city the past and present intersect in perfect harmony. But of course what you seek first in the heart of Rome is its breathtaking history. A good place to begin is the Vatican, with its Sistine Chapel and St. Peter's Basilica. Works by Bernini, Michelangelo, Caravaggio, and Raphael are just a few of those on display, any one of which is worth hours of contemplation. Then the ancient ruins—Colosseum, Forum, Circus Maximus. And of course the Trevi Fountain for the obligatory coins promising your return to the Eternal City.
