## Description

**-THIS DEAL IS NO LONGER AVAILABLE/SOLD OUT-**

Cruising the Greek Islands is an experience like no other. With over 6,000 islands and islets scattered throughout the Aegean and Ionian Seas, there is no shortage of stunning destinations to explore.

Some of the must-visit islands include Santorini, Mykonos and Rhodes. Each island has its own unique character, from the white-washed buildings and blue domes of Santorini to the cosmopolitan nightlife of Mykonos to the historic landmarks of Rhodes.

One of the great things about cruising the Greek Islands is the opportunity to experience the local culture and cuisine. Many islands have their own traditional dishes and specialties, such as fresh seafood, olive oil, and feta cheese. You can also sample local wines and spirits, such as ouzo and raki.

Aside from exploring the islands, there are plenty of activities to enjoy while cruising, such as swimming, snorkeling, and sunbathing. The crystal-clear waters of the Aegean and Ionian Seas are perfect for water sports, and there are many secluded coves and beaches to discover.

Cruising the Greek Islands is an unforgettable experience that combines history, culture, natural beauty, and relaxation. It's no wonder that it's one of the most popular vacation destinations in the world.

## Itinerary

### Day 1

---

#### Piraeus (Athens)

Arrive in Athens.

Athens is the capital of Greece. It was also at the heart of Ancient Greece, a powerful civilization and empire. The city is still dominated by 5th-century BC landmarks, including the Acropolis, a hilltop citadel topped with ancient buildings like the colonnaded Parthenon temple. The Acropolis Museum, along with the National Archaeological Museum, preserves sculptures, vases, jewelry and more from Ancient Greece.

After exploring the city, make your way to the port for a departure at 6PM.

#### Santorini

Today you will be on the island of Santorini from 9AM until 10PM.

Santorini is one of the Cyclades islands in the Aegean Sea. It was devastated by a volcanic eruption in the 16th century BC, forever shaping its rugged landscape. The whitewashed, cubiform houses of its 2 principal towns, Fira and Oia, cling to cliffs above an underwater caldera (crater). They overlook the sea, small islands to the west and beaches made up of black, red and white lava pebbles.

#### Rhodes

Today you will be on the island of Rhodes from 9AM until 6PM.

Rhodes, the largest of Greece's Dodecanese islands, is known for its beach resorts, ancient ruins and remnants of its occupation by the Knights of St. John during the Crusades. The city of Rhodes has an Old Town featuring the medieval Street of the Knights and the castlelike Palace of the Grand Masters. Captured by the Ottomans and then held by the Italians, the palace is now a history museum.

Today you will be in the Turkish city of Bodrum from 8AM until 8PM.

Bodrum is a city on the Bodrum Peninsula, stretching from Turkey's southwest coast into the Aegean Sea. The city features twin bays with views of Bodrum Castle. This medieval fortress was built partly with stones from the Mausoleum at Halicarnassus, one of the Seven Wonders of the Ancient World, completed in the 4th century B.C.
