Music, festivals, horse racing, pubs, restaurants, shops, theatres and most of all Galway people, combine to create this atmospheric medieval city of culture. Be sure to see Eyre Square, enclosing a pleasant park lined with imposing, mainly 19th century buildings. Overlooking the park is a modern shopping mall built to incorporate sections of the historic city walls. During your visit an optional sightseeing tour will be available to introduce you to the city. The sightseeing tour of Derry will commence by coach, giving an overview of the city before we continue on foot around the walls. Ireland's only completely walled city – there is over 1,450 years of history locked into its 17th century walls. We enjoy a stroll along part of the walls, ending in the city centre.
