Exchanging the vibrant neon heartbeat of Johannesburg, we venture towards Botswana's expansive Kalahari, a natural stage for the captivating narrative of the San people's life. The enchanting veins of the Okavango Delta, an unmissable charm of Botswana, await our exploration, its wilderness poised to entertain for a duo of starlit nights.

Our next stage is the Khwai Conservation Area, reached by our trusty open 4x4, providing us a wildlife-infused home for two nights. Your camera is key as we glide in a Mokoro, a traditional dugout canoe, silently slipping through the Okavango Delta's arteries, where hippos and crocodiles own the waters.

Our wheels imprint the dusty paths of Khwai on a game drive, its wild inhabitants providing us a carousel of natural wonders. We continue to Moremi Game Reserve, devoting an entire day to an exhilarating safari and an intimate encounter with its resident fauna.

Day 2

Johannesburg, South Africa

Welcome to South Africa! On arrival, clear customs and immigration, collect your bag and make your way to your hotel and when it's time check-in. The rest of the day is yours at leisure.

Day 3

Johannesburg 🚌 Palapye

Leaving behind the city of Johannesburg, we travel through the North-West Province to the Botswana border. After completing border formalities we continue on the Trans-Kalahari highway to our overnight stop.

Day 4

Palapye 🚌 Maun

Today we head north through the stark yet striking landscapes of the Central Kalahari desert towards the gateway of the Okavango Delta. Along the way, you'll pass by several smaller towns and villages, offering glimpses into everyday life in Botswana. A notable point of interest on our route is the Orapa Diamond Mine, an imposing testament to Botswana's mineral wealth. This mine, which is a collaborative venture between De Beers and the Botswana government, is counted among the world's most extensive diamond mines. It serves as a critical economic pillar, contributing considerably to Botswana's GDP and export earnings. Beyond Orapa, our journey skirts the southern end of the Makgadikgadi Pans National Park before reaching our overnight destination in Maun, so keep an eye out for an array of wildlife that moves between the watering holes.

Day 5

Maun Khwai Conservation Area

You will be separated from your Nomad truck for the next 2 nights and it is therefore important that you pack/gather your personal belongings which you may need, before we depart for Maun today as there is limited time in Maun for re-packing and storing. Please pack lightly and only take what you need for the following two nights. Today we make our way towards the Okavango Delta. Early risers will have the opportunity to go on an optional scenic flight over the Delta (time and weather permitting). After your optional flight, you will be collected from Maun and will be transferred to the Khwai Conservation area in smaller safari type vehicles. Our guide will prepare us on what to expect for our mokoro excursion into the Okavango Delta. (Please note: It is possible that the mokoro activity could take place the following morning, depending on the season).

Day 6

Khwai Moremi Game Reserve Khwai

Today is a full-day game drive as we spend most of our day on safari in the Moremi Game Reserve in search of the species that roam the plains. Expect some bumpy roads as we traverse this wilderness area in our 4x4 vehicles. Offering habitats from wetlands, and open water to the grasslands and Savannah woodland, we hope to see as many species of fauna and flora as possible. This evening we arrive back at Khwai to share and compare all the amazing sightings while on safari.

Day 7

Khwai Nata

Today's journey from Khwai to Nata passes the Botswanan salt pans. You will pack up camp and depart at first light on the open 4x4 safari vehicles before meeting the Nomad truck in Maun. The scenic drive from Maun to Nata showcases some of Botswana's breathtaking landscapes and rich cultural heritage. Keep an eye open as there is always a chance of a wildlife encounter or two before reaching your overnight destination near Nata.

Day 8

Nata Kasane Chobe National Park

We journey from the Kalahari sands of Nata to Kasane and arrive in time for lunch and a quick siesta before we head out in the afternoon to explore the Chobe National Park from the river, enjoying a leisurely boat cruise which allows us an up close and personal experience with the many elephants that frequent the river in the afternoons.

Day 9

Kasane Zimbabwe - Victoria Falls

With the memories of our wildlife encounters firmly etched in our minds, we cross the border into Zimbabwe this morning and travel the short distance to Victoria Falls. Today you will have the opportunity to visit the spectacular Victoria Falls at your leisure, also known by the local name of “Mosi-oa Tunya” (the smoke that thunders). While much of today is dedicated to viewing the mighty Zambezi River as it drops into the Batoka Gorge below, the bustling adventure town of Victoria Falls also offers a range of optional activities for those wanting a dose of adrenaline in the afternoon. Dotted with villages and subsistence farms, today's landscapes serve as a stark contrast to the developed countries so many of us call home. We make a delightful stop at Luangwa Market, a bustling hub where local Zambian vendors showcase their wares. Among the treasures on display are masau and masaku, delectable fruits that are available year-round and renowned for their mouth-watering taste. In addition, other African curios catch our eye, from charming miniature hippos to intricately woven baskets and papyrus carpets, adding to the colourful tapestry of this vibrant marketplace.

We make a stop at Mulberry Mongoose to view their local jewellery and curios, these accessories are hand-crafted by local ladies from South Luangwa using organic materials originating from the African bush. One of the finest sunsets is surely enjoyed on the banks of the Luangwa River, so grab a cold drink and watch the day fade away.

Day 15

South Luangwa National Park

South Luangwa National Park is a world-class safari destination and we have a full day to explore the park in search of the variety of wildlife found in the park. This morning you can partake in an optional morning safari or during the dry season (April to December) you can join one of the iconic walking safaris on offer in the park. The unique opportunity to explore the park at night gives us a chance to spot the elusive nocturnal species that are rarely seen during the day.

Day 16

South Luangwa National Park Lake Malawi

This morning we board our truck and set off for Malawi, the warm heart of Africa. Our destination tonight is the shores of Lake Malawi, the southernmost lake in the East African Rift system.
