Description

Embark on an Extraordinary Journey to Norfolk Island
for a Special Stargazing Adventure!

Join us on an unparalleled adventure under the pristine skies of Norfolk Island, where the celestial wonders await your discovery. Set against the backdrop of the South Pacific, Norfolk Island beckons you to immerse yourself in an unforgettable seven-day escapade – the "Stargazing Spectacular" Tour!

Picture yourself soaring above the clouds as you depart from the bustling cities of Sydney or Brisbane, your senses tingling with anticipation for the celestial marvels that lie ahead. With return economy class flights included, your journey begins with ease and comfort, offering the option to fly from other capital cities with a surcharge, ensuring accessibility for all.

Nestled within the tranquil haven of Norfolk Island awaits the luxurious Daydreamer Apartments, your home away from home during this celestial odyssey. Choose to elevate your experience with optional upgrades, allowing you to indulge in unparalleled comfort and serenity.

But the true highlight of this extraordinary journey lies in the nightly rendezvous with the cosmos, guided by none other than the renowned Astronomer Dave Reneke, whose expertise illuminates the skies and

captivates audiences across Australia through over 60 radio stations weekly!

As darkness descends upon the island, immerse yourself in the mesmerizing spectacle of Norfolk's Gold Level Dark Sky site. Behold as the Milky Way unfurls its luminous tapestry, a breathtaking river of stars stretching across the heavens, painting the night with ethereal beauty.

Under the canopy of Norfolk's subtropical climate, warm, clear nights provide the perfect canvas for celestial exploration. State-of-the-art telescopes stand ready to unveil the secrets of the universe, while comfortable seating and binoculars enhance your viewing pleasure, ensuring every moment is etched into your memory.

From distant galaxies to shimmering constellations, prepare to be awestruck by the celestial wonders that await. Embark on guided tours during the day, exploring the island's rich history and natural splendor, before surrendering to the allure of the night sky.

This limited departure promises an unparalleled journey of discovery, where the realms of science and wonder collide amidst the pristine beauty of Norfolk Island. Join us for a Stargazing Spectacular that transcends the ordinary and ignites the imagination – a holiday experience like no other awaits!

Itinerary

Day 1

East Coast Australia ✈ Norfolk Island

Today you will check in and board your flight bound for Norfolk Island and your Stargazing Adventure! Enjoy the services of the flight as you head East. On arrival at the airport, you will be met for your arrival transfer and the arrangements for your car hire will be completed.

On arriving at your accommodation, settle in for your 7-night stay but don't get too comfortable as you will be taking part in Welcome Drinks and Canapes tonight at The Governors Lodge (use your car hire to get here for a 530PM start) as well as meeting the special guest Dave Reneke along with your fellow travellers.

Accommodation: Daydreamer Apartments

Meals: Inflight Menu

Day 2

Norfolk Island

This morning you will have a half day orientation tour of the island with pick up at 830AM. On returning to your accommodation in the afternoon, enjoy the rest of this time at leisure until the next part of the program.

☾ At 545PM make your way to Governors Lodge where you will enjoy an Indoor Presentation: "Secrets of the Universe"

☾ At 7PM you will then enjoy the first Telescope Night, Viewing "The Moon Nebula/Star Clusters" (Weather permitting).

Accommodation: Daydreamer Apartments

Day 3

Norfolk Island

Enjoy today at leisure to explore the island at your own pace. You are free to make use of the unlimited kilometres on your hire car and optional activities can be booked.

☾ Later this evening at 9PM make your way to the location which will be advised to you with notice, where you will enjoy another Telescope Night, with a Laser Sky Tour of the "Planets / Moon / Stars"

Accommodation: Daydreamer Apartments

Day 4

Norfolk Island

This morning is yours at leisure to explore the island at your own pace. You are free to make use of the unlimited kilometres on your hire car.

✱ At 12PM, make your way to the location which will be advised to you with notice, where you will enjoy 'Safe Solar Viewing'.

☾ At 545PM make your way to Governors Lodge where you will enjoy an Indoor Presentation: "Living and Working in Space"

☾ At 7PM you will then enjoy another Telescope Night, Viewing "Starlight Strabright" (Weather permitting).

Accommodation: Daydreamer Apartments

Day 5
