One of the must-see places on the island is the Kingston and Arthur's Vale Historic Area. This UNESCO World Heritage Site is home to a collection of buildings and ruins that tell the story of Norfolk Island's colonial past. The area was once a penal colony for convicts who were sent from Australia and has since become a fascinating historical attraction.

Another popular attraction on the island is the Norfolk Island National Park. The park covers a large area of the island and is home to a diverse range of flora and fauna, including many endemic species. Visitors can take guided

tours to explore the park and learn about its unique ecosystems.

Including return business-class international flights, a stay at the amazing Cumberland Resort & Spa and 7 days car hire to explore, this package is the island getaway you've been looking for - with a fancy twist. Whether you are seeking adventure, a new culture, or just some peace and quiet, this little island in the South Pacific has something to offer everyone.
