Description

Experience everything Kangaroo Island has to offer on this fantastic itinerary. Bursting with local produce and spectacular scenery, guests will enjoy stays at the Kangaroo Island Seafront Hotel in Penneshaw and the Aurora Ozone Hotel, located in Kingscote (Kangaroo Island's main town).

Kangaroo Island is famous for its abundant wildlife, unspoiled coastline and the incredible food and wine scene that has grown over the last few decades. Sitting just off the coast of South Australia, it is Australia's third-largest island at 155km long and 55km wide. Nicknamed the 'Zoo with no fences', wildlife encounters are definitely something to look forward to. Kangaroos (obviously), sea lions, goannas, koalas, echidnas, wombats, dolphins, wallabies and a wide range of bird life are just some of the friendly locals you can expect to meet, either by chance or on one of the many fantastic guided tours available across the island.

There's truly something for everyone in this unforgettable destination; whether you just want to relax and reconnect with nature or chase those thrilling adventure experiences, Kangaroo Island will never disappoint.

Either at the start or end of your trip, discover the beauty of Adelaide with a two night stay at the Terrace Hotel Adelaide along with a winery tour in McLaren Vale North.
